

As a long haul trucker it's vital to be able to know traffic and weather well in advance for planning a safe route to avoid being part of the problem. only x-m gives me 24/7 weather and traffic not just drive-time traffic or when i'm close enough to receive regular signal. I PAY FOR THIS AND I NEED IT WHY WOULD YOU WANT TO TAKE IT AWAY???? isn't safety more important than the wishes of some broadcasters concearns for profits?
